## Support Groups

We provide a safe place for caregivers to share, cry, laugh, and learn. They will realize that they are NOT alone.

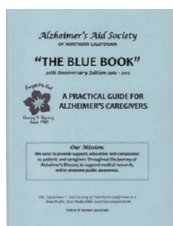

## Peer Counseling

Our Peer Counselors provide real support for both the practical and the personal elements of a crisis or transition, or for a time when the caregiver just can't cope. They understand the challenges and worries. Our volunteers listen, talk, and offer confidential support.

## Legal Matters

There are financial and legal decisions that must be completed before Alzheimer's steals a loved one's sound judgement. Before that happens, families have hard decisions to make and legal documents to prepare. We offer free legal elderly consultation.

## **"Guide for Alzheimer's Caregivers"**

At the beginning of every story of dementia or Alzheimer's Disease is fear. "A Practical Guide for Alzheimer's Caregivers", or "THE BLUE BOOK", is your resource to answer the question, "What now?"
